Calsonic Kansei Corporation

English Edition of Sustainability Report - Now Available

To fulfill our responsibility as a global company to our wide circle of stakeholders, Calsonic Kansei discloses sustainability information both in Japanese and English.

To make it easier for stakeholders to access the information they need, the report is made available primarily on the website. CK also provides a summary version highlighting key activities in a compact booklet for reading as a PDF file.

Detailed information : [CSR website](#)

Summary version : [PDF \(6MB\)](#)
